- Waste Framework Directive
- Zero pollution action plan

Partnership process

Funding and partners

- Total indicative contribution: ~ 170 M€ cash + 114 M€ in-kind (23 MS, 5 Associated Countries, 3 Candidate Associated Countries)
- Total contribution Horizon Europe: 175M€, co-fund rate 30% (total foreseen budget: 525M€)
- Food system: a system that *embraces all elements and activities* that relate to production, processing, distribution and marketing, preparation and consumption of food, and acknowledges the *interactions* between natural resources/ecosystems services, primary food, food processing, packaging, logistics, marketing, retail, food services, consumption and waste management/recycling and the *many feedback loops* between them, which together defines the degree of complexity
- We need all players, and the partnership is open to: MS, Associated Countries, JRC, others: regions, RPOs, new partners such as foundations, private sector – all that are a *legal entity* can join the partnership

THANK YOU
